

Dear Pastor or Church Leader, Thank you for your consideration in hosting evangelistic outreaches. **We are available to train, equip and lead an outreach at your church at no extra work, cost or time on yourself.** At scheduled time we will offer to those who would like to join us the option and opportunity to attend a short training and then to go out on the streets somewhere around your church! **Our goal is to flawlessly work with you in setting this up. And at no extra charge, we will provide all of the outreach materials needed which which includes a flyer that highlights your church.** From those who pray the prayer of salvation we will provide you with the prayer sheets for follow up and discipleship. The whole operation will take 6 hours, from 9am at arrival to 3pm when everything is completed. Our greatest desire is to establish an outreach team within your church and for your members to reach many souls for Jesus.

Soul winning is that which will count one hundred years from this moment; nothing else will. How many people can we take with us? Eternity is in our hearts. Will you help? **We need laborers!** Jesus said, "Say not ye, There are yet four months, and then cometh harvest? Behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest." We must rather pray the Lord of the harvest that He send forth laborers; **you are an answer to the Lord of the harvest's prayer.** We are living in what I believe is the end of days and whole cities and towns will be shaken by the power of God and we are privileged to be a part of this end time harvest. **Nations will be awakened and we will see the greatest harvest of souls and then King Jesus will return!**

The Desired Goal

Saturate the Emerald Coast with the gospel of Jesus Christ from Pensacola to Panama City. To see the mass mobilization of the body of Christ operating in one mind, one purpose, totally devoted to the gathering of this end time harvest for the Lord of the harvest so that we can get the heaven out of here!

- Strategic planning for your Church
- Repeatedly reach the community around your church starting within a 1 mile radius
- Spend 80% of outreach efforts in your city
- Spend 20% in surrounding towns throughout the Emerald Coast
- Support other outreach efforts in area churches who are reaching the lost
- Visit all of the nursing homes within your local area
- Initiate evangelistic outdoor crusades in neighborhoods of great need
- Participate in community outreach efforts that promote the church and outreach events

How do you start an actively engaged outreach team within your church?

To fulfill Ephesians 4:12 is "to equip the saints for the work of ministry." My desire is help your people be **trained, equipped, mobilized and ignited on fire** by demonstrating the power of the gospel while seeing that they can very powerfully be used by God. Soul winning is not a program; it is a passion. Soul winning is not an event; it is a lifestyle. Souls are the currency of Eternity. Your church is called to populate Heaven and plunder Hell.

- **YOUR PEOPLE WILL FULFILL THE GREAT COMMISSION.** They will preach the gospel of Jesus Christ to the lost and through this they will see people experience a fresh touch of God through salvation, deliverance and healing.
- **YOUR PEOPLE'S HEARTS WILL BE SET ON FIRE.** When a harvester leads a person to Jesus, cast out devils or witnesses people getting healed before their very eyes, they can't help but be lit on fire for God.
- **YOUR CHURCH WILL BE IGNITED AND SET ON FIRE** As your church members witness the passion and hear the reports of souls being won to Jesus on their streets they will catch and adapt the culture of soul winning. Your church will be known as a soul-winning church across this region
