

Phone Call Follow Up Script:

Thank you for your willingness to follow up on recent salvation! Please call the attached people recorded on the Salvation Prayer Cards. Please make notations on the Follow Up Phone Call Report cards. The follow up script is a basic outline of what needs to be communicated but please feel free to be casual on your phone calls. The target time to make a follow up call is within 48 hours after the person prayed the Prayer of Salvation. This timeline is not always realistic, so do your best. Please return these sheets within 1 week of receiving the names to the Evangelism Coordinator.

The Evangelism Follow-up Phone Call Ministry is a vital part of outreach, you are the very next connection that a person who just received Christ will talk to. Thank you for making an eternal difference!
